Suzie is a lovely 12 year old girl who can be reserved, strong and sensitive. She tends to look out for her younger brother, Samuel and therefore they have a very close relationship. Once she gets to know you, Suzie becomes open and can share her feelings. She likes to help others and engages easily with her caregivers. She enjoys music, singing and is also active in sports like swimming, biking and basketball. Academically, she has a learning delay, but with supports, she does very well. Suzie needs a family who can celebrate her achievements and support her in school. She will do well in a family with clear routines and lots of love and patience.

Samuel is a 5 year old boy who is very dynamic and engaging. He is a happy child who has a positive outlook. He is drawn to all sorts of sports including biking and skiing. Like many children his age, he loves video games and nintendo. He also enjoys watching movies and watching TV. Currently, Samuel is in an English school and speaks English in his foster home however, he understands french. In general, school is going well and he enjoys it. Samuel has been diagnosed with Attention Deficit Hyperactivity Disorder but with medication it is well controlled. He needs a family with a good balance of nurturing and structure so that he can continue to meet his potential. Overall, Samuel is a healthy well adjusted child.

Simon is a handsome young 10 year old boy who is very affectionate and expressive. He loves to engage with adults as well as peers. He is a very active boy who plays many sports. He likes to please his caregivers and responds very well to positive reinforcements and becomes very proud of his many accomplishments. Like many children his age, he also really loves video games. He is describes as a very good artist and shows great talent in this area. Similar to his siblings, Simon has Attention Deficit Hyperactivity Disorder and is in a class setting at school that best suits his needs. He does well in this structured environment and the teachers just love him. Simon needs a family with lots of time to work with him and to love him. Simon has a lot of potential that has yet to be discovered.

We are looking for a family to adopt Suzie, Simon and Samuel together.
